

CHRISTIAN SCIENCE – A CLEARER VIEW OF YOU

Free Talk Hosted by Lyle Young, CSB

International Speaker

Member of the Christian Science Board of Lectureship

Saturday, October 24th, 2020 11:00 A.M. (CDT)

**Hosted by Second Church of Christ, Scientist
Omaha, Nebraska**

Mr. Young will be administering his talk through Zoom.

Zoom Lecture ID: 830-664-3845

Zoom Lecture Password: 992222

We are offering an in-person lecture viewing at our church location 9124 Bedford Ave. Omaha, NE 68134. Boxed lunches will be served. Please RSVP to 2ndchurchclerk@gmail.com if you plan to attend in person.

We pray we will see you online or in-person!

Who are we, really? You and I, and all humanity? The health, harmony, and joy we experience in life depends on our answer to this question...To the degree that we understand our identity as purely spiritual – knowing that each of us shines, now and eternally, as a unique expression of the infinite Love – we experience healing. The result is wellness, opportunity, spiritual progress and the highest degree of joy.
